SENATE DELAYS VOTE ON NEW TARIFF BILL, CAUCUS TO BE HELD

Washington, Oct. 1.—The entire conference report on the tariff bill was laid aside for 24 hours in the senate today as the result of a protest among Democratic senators which resulted in the calling of a party caucus to go over the conference report before it should be finally acted upon in the senate.

A hurriedly called caucus assembled at 11 o'clock, but when the senate met at noon the caucus had made no progress towards an agreement and the Democratic leaders agreed to lay the tariff bill aside. The caucus resumed work at 3 o'clock this afternoon.

The so-called insurgent forces, led by Senator Reed, of Missouri, insisted that there were many compromises and amendments agreed to by the conference committee which demanded further study and consideration by the Democrats of the senate before being finally written into the bill.

After an hour's discussion of the matters in the caucus, Democratic leaders determined not to try to force the tariff bill through the senate today, but to allow ample time for debate, behind closed doors. Senator Pomerene's objection to the action of the conferees in dropping the $1.10 tax on grape brandy used to fortify sweet wine, and Senator Reed's criticism of the decision of the conference committee on several important rates were the chief points brought up when the caucus met.

The conference report was adopted by the house late Tuesday by a vote of 254 to 102.

NORTHERN STATES OF MEXICO HAVE SECEDED

Piedras Negras, Mexico, Oct. 1.—Confronted by an implied ultimatum that United States soldiers would be used to prevent the destruction of the international bridge here, as well as American property on the Mexican side, every responsible chief of the constitutionalist movement disappeared from here early today, leaving the town at the mercy of the federals, should the latter make a filibustering attack on the American side of the river. Several looters were shot down in the street here today by constitutional troops who are sternly opposing the spirit of anarchy which developed last night.

The report is current here that the five northern states of Mexico have formed a confederacy and have decided to secede from Mexico. The confederation agreement is said to have been made at a meeting held in Hermosillo last week and General Carranza is to be the first president of the new republic.

Eagle Pass, Texas, Oct. 1. Six car loads of injured Constitutionalist soldiers were moved across the river and left in front of the United States military post this afternoon. The local authorities are at a loss as to what disposition to make of thes men.

EXPELLED, BLOWS UP THE SCHOOL

Wilkesbarre, Oct. 1.—Because he was expelled from a mock school which several playmates established yesterday, John Kerschack broke up the session today by discharging a dynamite cap and severely injured himself and four companions.

Kerschack was "expelled" because he was unruly. He departed but soon returned with a dynamite cap in one hand and two stones in the other. Placing the cap on one stone he dealt it a blow with the other and an explosion followed. The five children, ranging in age from 3 to 8 years were struck by flying pieces of stone and their heads, arms and faces were badly lacerated.

Sulzer Account Was Identified

Albany, N. Y., Oct. 1—Counsel for the board of managers rested their case in the Sulzer trial at 2 o'clock this afternoon. Judge Herrick, of counsel for Governor Sulzer, then requested that court adjourn until next Monday. On motion of Senator Brown the court went into executive session to decide the question.

After an executive session of 40 minutes the court agreed to adjourn until tomorrow afternoon at 2 o'clock.

Albany, N. Y., Oct. 1.—Direct connection between Account 500 and Governor Sulzer was established today when J. B. Gray of the stock exchange firm of Fuller & Gray, who handled the account, testified before the impeachment court that Frederick L. Colwell told him that the stock transactions on the account were for the governor. Colwell was Sulzer's alleged "dummy."

The transactions consisted of the purchase of 200 shares of Big Four stock which Gray said Colwell has paid for in cash. The first 100 he said was bought by Colw R. Oct. 23, 1912, and delivered to him in Brooklyn Oct. 31. The second 100 was bought Nov. 1 and it was not until the second purchase, according to Gray's testimony, that Colwell told him that the transactions were for Sulzer.

RILEY'S BIRTHDAY

Indianapolis, Ind., Oct. 1.—The Board of School Commissioners here last night passed a resolution providing for a general celebration in the public schools on October 7, the birthday of James Whitcomb Riley. In addition to the exercises, a parade of all the children will be held.

STRIKERS AT CALUMET ARE ARRESTED

Calumet, Mich., Oct. 1.—Ten arrests were made in the Calumet copper mine strike today as the result of rioting. Anna Clemens, one of the leaders of the women's strike sympathizers, and Ben Goggia, strik leader, are among those in custody. Workmen were intimidated and one was badly beaten.

Considerable shooting by strikers in the Keweenaw district last night was reported to military headquarters today.

Approve Home

Columbus, O., Oct. 1.—(Spl.)—The Scioto county children's home has been approved by the State Board of Charities as a proper place for the care of children. This approval is given under a new law. BLAKE.

SEN. LODGE'S CONDITION.

Nahant, Mass., Oct. 1.—United States Senator Henry Cabot Lodge was said to be resting well this morning. His temperature and pulse is normal.

Home From Cincy.

Steve Malavazos returned on Tuesday from a business trip to Cincinnati.

ENTOMBED MINER HAS NOT YET BEEN RESCUED; MAY PERISH

Centralia, Pa., Oct. 1.—The rescuing party at the Continental mine of the Lehigh Coal company, which is trying to reach Thomas Toshesky, a miner, who was entombed last Friday, today arrived at a point which showed that 40 feet of solid coal and rock would have to be cut through to enable them to reach the imprisoned miner.

Toshesky is undergoing the terrific ordeal bravely in his isolated little prison 100 feet below the surface. Frequently during the night he conversed with rescuers, his remarks being heard very freely through the 50 feet of tubing in the wall.

He said water was dripping from the roof and his prison was beginning to grow damp and the air is becoming heavy. Mine experts say if he is not soon rescued he will perish for want of fresh air.

Nearly every time he talks Toshesky begs the rescuers to tell his wife that she should worry as little as possible.

LEAPED INTO OCEAN FROM STEAMER

New York, Oct. 1. Four men who were to have been deported on the steamer France obtained liberty or death today by leaping 45 feet into the ocean. All trace of the men was lost after their daring leap. The finding of two life belts led to the belief that they were drowned. They escaped by cutting a hole in the wall of the cabin hospital, crawling through chutes to the coal pile and climbing the emergency ladder to the upper deck, then making their leap from there.

JAS. B. HAGGIN SERIOUSLY ILL

Lexington, Ky., Oct. 1. James B. Haggin, famous horseman and copper magnate, is dangerously ill at his home, Green Hill, near here, today. Mr. Haggin, 87, was taken suddenly ill yesterday and today his case was pronounced pneumonia. He was injured in a fall down a flight of stairs in New York last February.

Admits To Robbery

Covington, Ky., Oct. 1.—A man giving the name of John White was arrested here today. He is said to have confessed to robbing a residence at Springfield, O., last night of $1000 worth of jewelry. The police say most of the jewelry was found on White.

OPTION ON D. T. & I.

Columbus, O., Oct. 1.—The Pennsylvania railroad has an option on the D., T. & I. for $8,200,000. Ownership of the road, it is said, now depends on action of the federal court here.

MEEKISON ON TRIAL AT CLEVELAND

Cleveland, O., Oct. 1.—Testifying at the trial of C. C. Meekison, Henry county auditor, and J. D. Cargould, Akron politician, on charges of attempted burglary of the Ohio Equity Association, E. H. Eckert, of Toledo, this afternoon declared that Meekison offered him $1000 if he would get a man into the offices of the Equity Association to steal referendum petitions on the Warnes-Kilpatrick laws.

Were Given A Belling

Mr. and Mrs. Charley Haubert, who were recently married were given an old fashioned belling by their friends Tuesday night. The din kept up until Charley came across and then the bellers had a fine treat at the expense of the new bride and groom.

KILLED SIX PEOPLE

Nantes, Germany, Oct. 1—Marcel Redureau, 15, late yesterday following a dispute with his employer, killed with an axe no fewer than six people in the village of Basnriage-En-Landreau. After decapitating Geo. Mabit, his employer, the lad entered Mabit's home, killed Madame Mabit and the servant and then entered another room where he murdered Mabit's mother and two of Mabit's children. He then went to bed and slept until awakened by the police this morning when he was arrested.

SCHOONERS TRAPPED IN THE ARCTIC ICE

Washington, Oct. 1—The United States revenue cutter service is powerless to render assistance to six schooners imprisoned in Arctic ice off Pt. Barrow, Alaska, because it is impossible for any vessel to make the trip at this season of the year. The Nome Chamber of Commerce which appealed for assistance for the imprisoned schooners will be so informed today by E. P. Berthoud, commander of the revenue service. Officials believe that the crews of the schooners are safe because there is plenty of provisions in Northern Alaska at this time of the year or if not they can reach shore on the ice and makea trip southward on sledges.

FIVE DIE IN FLAMES

New Haven, Ky., Oct. 1.—Five persons perished in flames that destroyed a block here early today. The victims were the wife, sister and three children of James Devers, who were trapped by the fire in Devers' hotel. The loss on several buildings will reach $50,000.

BRYN MAWR GIRL HURT IN AUTO WRECK

New York, Oct. 1.—Lucilla Singleton, 19 year old daughter of a Texas mine owner, and a student at Bryn Mawr, was painfully and perhaps seriously injured last night when an automobile listed as the property of Herman Oelrichs crashed into a tree in avoiding a Broadway street car. A man who was riding in the motor car with her gave his name as Cregmore or Crighorn, but he disappeared before the police had a chance to question him further and his identity was a mystery. It was said at the hospital that the young woman would probably recover.

NELSON FOUND GUILTY IN THE JURY'S REPORT

A verdict of guilty was returned today by the jury in the case of the state against Bird Nelson, accused of robbing Clarence Petty.

The state rested after the examination of one witness this morning.

The defense then produced a witness who testified that he heard Nelson and Petty, the prosecuting witness talking about playing poker and shooting crap. The defendant was then placed on the witness stand. He told a pretty straight story as to how, when and where he won the money from Petty. He said he had been arrested of some crimes, but in all his life he had never been charged of being a thief. With this the defense rested. Prosecutor Small declined to make the first argument, and Judge Blair made a strong plea for the acquittal of Nelson.

Prosecutor Small closed for the state in a very forcible appeal, for justice through the conviction of the defendant.

The case went to the jury at 11 o'clock, and at 1 p. m. the verdict was returned.

Prosecutor Small appeared for the state and Judge Blair under appointment of the court, for the with picking the pockets of Clarence Petty, of Vanceburg, Ky.

The prosecuting witness claimed that he came to this city sometime in September and with $43.00 in his pocket got in company with Nelson, and after a time taking in the town, and visiting the saloons, Nelson left him and soon thereafter he made discovery that his money was gone. He immediately appealed to the police, and Nelson was arrested, and the money or something near the amount Petty had lost, was found in the possession of Nelson. It is claimed by the defense, that the money found on Nelson was Petty's money, but that Nelson had won it from him in a crap game.

U. S. STEEL CO. HEARINGS ARE RESUMED

New York, Oct. 1.—The steel corporation marshaled its experts today to refute the government's charge that it deserves dissolution as an alleged monopoly. The corporation took up the defense where it was left off when hearings were suspended last June. It maintains not only that it is not a monopoly but that a monopoly of the steel and iron trade is an impossibility.

Marriage Fees Are Reduced

La Crosse, Wis., Oct. 1—More stringent laws passed at the last session of the legislature have reduced marriages at La Crosse to a minimum and ministers are seeking larger salaries because of the serious cut in the revenues.

The new law requires that all men married in Wisconsin submit to a physical examination.

NEW TREATY WITH JAPAN.

Tokio, Japan, Oct. 1. It is understood here that Japan and the United States are engaged in a discussion on the possibility of arranging a new commercial treaty between the two countries.

CHICAGO MAN IS ACCUSED OF MURDER

Chicago, Oct. 1.—The man who lured Mrs. Mildred Rexroat, the tango teacher, to Wayne last Friday and shot her and placed her body on the railroad track, is a West Chicago citizen, Sheriff Kuhn of Dupage county made this assertion today. He added that he expected to have his man in custody before the inquest is held tomorrow.

MEXICANS ARE CROSSING THE BORDER LINE

Washington, Oct. 1. Although there has been a great exodus of refugees from Piedra Negros across the Rio Grande into Eagle Pass, Texas, within the last few days, officers here pointed out today that only a small portion of them are Americans. Hundreds of Mexicans have been concentrating in Piedra Negros from the interior of Coahuila and many of these fearing for their safety in the event of expected occupation of the constitutional capital by Mexican federals, have sought American soil.

STATE BANK IN ARKANSAS WAS ROBBED

Ft. Smith, Ark., Oct. 1.—After a rifle battle with several citizens early today a band of robbers who had looted the vault in the First State bank at Dardanelle, Ark., escaped.

It is estimated that their loot amounted to several thousand dollars. There were about eight men in the band. One of them is believed to have been wounded.

IMPRISON SUFFRAGE LEADERS

London, Eng., Oct. 1—Lively skirmishes between the police and the militant suffragettes occurred today when Miss Harriet Robert Kerr and Mrs. Beatrice Saunders, secretary of the Woman's Social and Political Union were rearrested at the suffrage headquarters under the provisions of the "Cat and Mouse Act." Mrs. Saunders is under sentence of 15 months' imprisonment and Miss Kerr 12 months. They were released last June after a hunger strike.

COUNCIL TONIGHT

Council will meet in regular session tonight. A delegation of business men will be on hand to urge the necessity of improving the Gallia pike from Portsmouth to New Boston. Council will likely appropriate $2,000 for this work. Several other matters of a routine nature will also come up for disposition.

WAR ON BILL BOARDS BEGINS IN NEW YORK, DECLARED A NUISANCE

New York, Oct. 1.—After an eight months' study of the bill board problem in New York a special commission appointed by the late Mayor Gaynor has arrived at its conclusion embodied in a book of over 150 pages.

The findings of the commission are that the bill board constitutes a nuisance because of its unsightliness, that it causes a further fire hazard in many places and also a nuisance to public health an account of the rubbish it often hides. Restriction of the use of the bill board is recommended including proposals to tax such advertisements, to establish a censorship upon designs, to authorize health officials to prohibit large electrical signs where they are found to interfere with sleep in residential districts, and both health and fire officials to order removal of all signs which are a menace to health and safety.

"New York City" says the report, "has probably more bill boards, roof signs and illuminated advertising signs than any city in the world." In the whole city it is estimated there is a total of 3,800,000 square feet of billboard advertising, with an income to the advertising companies of more than a million dollars a year. It also stated that there is doubt whether billboard advertisement is an profitable to the merchant advertiser as other forms of advertising.

MANAGER OF THE FASHION

A. Kline, formerly manager of the Liberty Clothing company, has assumed general management of "The Fashion," one of Portsmouth's newest stores, and located in the Bannon block on Gallia street.

Mr. Kline, as has been stated in The Times, has an equal share in the business along with his partner, William Atlas. "The Fashion" is one of the city's prettiest and neatest stores, and has since the day it opened to the public been accorded a splendid patronage. Mr. Kline has stamped himself as a business man of push and integrity and "The Fashion" will no doubt continue to prosper under his management. The Times bespeaks for him all the success possible. This paper has always found him four square and full of business enthusiasm.

Three Pennsylvania youths, Lester Clayton, Joe Brickley (no relation to the great football player) and Corson Ellis were picked up riding the numbers on N. &W. No. 24 Tuesday night by Detective Baucus and lodged in the city jail. Wednesday morning they were invited to leave the city.

WINCHESTER SCOUTS ARE ACTIVE

"One of the most enthusiastic meetings I ever attended," is the manner in which M. H. E. Kinsey describes the "Boy Scout Night" at Winchester yesterday evening. He delivered the address of the occasion, and the people of Winchester are so stirred up over Boy Scout work that they made him promise to come back soon to address a public meeting in the opera house to arrange for a wider campaign.

Mr. Kinsey was met at the depot by an escort of 16 scouts, and was entertained delightfully during his entire stay. Refreshments were served at the close of the meeting, which was held in the Baptist church, of which the Rev. H. B. Hemmerley, formerly of Portsmouth, is pastor.

While in Winchester, Mr. Kinsey also arranged for a meeting of the scouts of that village and the Portsmouth scouts at Serpent Mound, Thanksgiving day. About twenty scouts from each place will participate in the events.

Fancy Work Is Cut Out

No exhibits of fancy work or embroidery will be accepted by the Korn Karnival committee according to an edict issued Wednesday morning. Many appications have been received for these exhibits but the committee unanimously decided not to enter them this year.

At The Terminals.

Albert Burling, a telegraph operator has taken a position with the Norfolk and Western at the local Terminals.

Dear Billy:—If you don't give us the finest weather in the world for Korn Karnival days, look out. I will make no threats but simply state as a fact that if you do not, there will be a strange face missing about in goat heaven.

Yours truly, George Ditty.

I got that this morning and believe me, it made me resolve to turn on my very best brand of weather for the Karnival. I'll do my best. Here's for tomorrow:

Ohio—Fair tonight and Thursday. Slightly cooler tonight.

Kentucky—Fair tonight and Thursday.

Two Henley Drunks.

They either attempted to drink the town dry or were unaccustomed to intoxicating beverage as Edward Kidder, Otway and James Lake, Henley, were found floundering around at the N. & W. passenger depot Wednesday afternoon. Detective Barnes locked them up in the city jail. Several pints of alcohol and wine were found on them.

CONDEMNS ENGINES

Ironton, O., Oct. 1—A deputy from the state boiler inspection department was here today and condemned all the engines of the Detroit, Toledo and Ironton Railway Company in service on the Ironton-Wellston division, with the exception of one. The reason this was not condemned was that the train had pulled out before the inspector reached the depot. The action tied up all the business on that division of the road. A similar action was taken on the Jackson Springfield division some days ago.

Child Adopted.

Walter Warnieca, a minor, whose father and mother are dead, was adopted in probate court, Tuesday by Charles Warnieca, who is an uncle of the child.

Soldiers' Reunion

The annual reunion of the 53d O. V. I. was held in Waverly Tuesday night and it ended with a glorious camp fire. Before the flames died away, battles were re-fought, stirring scenes enacted in the famous war were vividly fanned into flame and the veterans enjoyed every moment of their annual get-together council.

Thirty-one members were present and forty-five soldiers were enrolled. A business session was held at the court house and the following officers were chosen: David Lasley, of Chicago, president R. H. Raudier, of Rutland Corner, O., vice-president A. B. McBride, of Barden, secretary and J. W. Henson, of Oak Hill, second vice-president. The members who departed this life the past year were Capt. B. M. Birchfield, of Athens, I. N. Seel, of Harveysburg, Richard H. Wells, of Stockdale, and Thomas Ragan, of Wellston.

The next meeting will be held in Gallipolis. Before an adjournment was taken all the veterans called on eGneral Wells S. Jones, who has been ill for many weeks. Jones was elevated to a captainship for bravery displayed at Shiloh. Owing to illness of Mr. Jones and the death of Capt. Birchfield, the reunion was in charge of A. B. McBride.

DIVORCES ARE GRANTED

Della Bertram was granted a divorce this afternoon from William Bertram. They were married in 1907, had no children. Cruelty and general cursedness was alleged and the court was satisfied with the evidence offered therefore dissolved the marriage relations.

Lizzie Clark was granted divorce this afternoon from Isaac Clark. This case was heard a few weeks ago but the decree was not granted until today.

The suit in divorce of Anna Windle against Walter Windle was heard this afternoon. It was contested as to alimony. They were married in 1910, had no children, extreme cruelty was alleged and substantiated. A decree was granted.

102 Years Young

MRS. MARY A. SIMPSON.

She owes her good health and great strength to many years' use of

Duffy's Pure Malt Whiskey

which only proves our oft repeated contention that it "makes the old feel young and keeps the young strong and vigorous."

"I have used Duffy's Pure Malt Whiskey a great many years, and I find it gives me great strength and a good appetite. I am now 102 years old and in very good health for one of my years."—Mrs. Mary A. Simpson, 321 De Bevoise St., Brooklyn, N. Y.

Many men and women who have passed fourscore years and even the century mark, tell the same story as Mrs. Simpson about what Duffy's Pure Malt Whiskey has done toward renewing their youth and keeping them vigorous, hale and hearty and in possession of all their faculties. As a leading doctor says, the secret of the whole thing is that Duffy's Pure Malt Whiskey, if taken as prescribed, assists in driving out disease germs, invigorates the brain, purifies the blood, quickens the circulation, brings restful sleep and prevents decay and old age.

CAUTION—When you ask your druggist, grocer or dealer for Duffy's Pure Malt Whiskey be sure and get the genuine. It is an absolutely pure medicinal malt whiskey and is sold IN SEALED BOTTLES ONLY—never in bulk. Look for the trade-mark, the "Old Chemist," on the label, and make sure the seal over the cork is unbroken. Price $1.00 a bottle. Write Medical Department, The Duffy Malt Whiskey Co., Rochester, N. Y., for our free booklet and doctor's advice, sent free.

Police News

Charges preferred by George Heinisch against Oakley Baker a laborer, led him to be fined $5 in mayor's court Wednesday morning because of his drunkenness and disorderly conduct. Mr. Heinisch stated that Baker attempted to take the premises.

"Keep him off. I don't want him around," said Mr. Heinisch. "There are others trying to cause trouble and I will have them in here if they keep it up," he concluded.

Insulting women on street cars and creating a disturbance wherever he went, caused George Ballard, an N. & W. switchman, to be fined $5. The fellow seems to be having all kinds of trouble as only recently he was knocked off a box car and injured.

Elias Mag, a plain drunk picked up by Officer Dixon late Tuesday evening, didn't have any money so he was released after he had sobered up.

"Back to Kentucky with you," was the order given Marion Hall who tried to sink the C. & O. ferryboat Tuesday afternoon with a weight of noise and trouble. He went.

BUILDING PERMITS

What Is Home Without an Appetite?

Many a Miserable Dyspeptic Can Quickly Enjoy a Good Appetite Using Stuart's Dyspepsia Tablets.

There is nothing so deplorable as a home where at every meal one member of the family sits in silence eating a special diet while others are partaking of the regular food.

Not only does this condition become almost unbearable to the dyspeptic, but it throws anything but a joyous spirit over the rest of the family.

The Child—"Please eat some nice chicken, papa."

The Father—"No, Buster, daddy don't feel like eating."

The presence of dishes before him that a stomach sufferer cannot eat makes him sick at his stomach and he is actually doing himself an injury when he eats at such a table.

A Stuart's Dyspepsia Tablet taken after each meal will excite appetite and in a short time one will find the sight of food becoming less and less repugnant until after a few meals one will take courage enough to join with the family in the regular fare.

As soon as this is done and there follows no evil effects then by continuing the use of Stuart's Dyspepsia Tablets you will soon be restored to your normal, healthy and vigorous appetite.

One of the real pleasures of eating is the joy of smelling and seeing food. These qualities are essential to the normal digestion for they excite the flow of saliva in the mouth and the gastric juices in the stomach and thus make ready the digestive apparatus for the food when it is eaten.

Stuart's Dyspepsia Tablets contain ingredients that every system needs. Weakened fluids of nature used in digestion are quickly restored to their normal proportion, and in a short time are so evenly balanced that the system can manufacture its own pepsin and hydrochloric acid as it should.

Go to your druggist today and buy a box of Stuart's Dyspepsia Tablets, price 50 cents.

S. S. Rally Campaign Given Boost At Trinity

The first gun in the fall Sunday School rally was fired at Trinity Methodist church, Tuesday evening, when upwards of 200 people assembled to hear the plans of the campaign discussed. Much interest was manifested and the program of speech making passed off without a hitch or a jar, Chairman W. W. Gates seeing to it that everything was run per schedule.

The plan is to have not less than 10,000 persons in the various Protestant Sunday Schools of Portsmouth on the morning of October 19. Judging from the way things passed off at Trinity last night this mark will be reached and then some. Every Protestant church and Sunday school was represented at the meeting and there was not a person present but who has entered into the project with enthusiasm and hopes high.

The song service was led by Rev. T. A. McAfee, who made the congregation get the habit and who succeeded in getting as much noise and music out of the small crowd as most directors do out of a congregation twice the size. The song service put every person present in the right humor and then the speech making followed.

On account of the absence of Rev. Crayton S. Brooks, F. W. Sheridan, one of his laymen filled the preachers shoes and did the best he knew how in the handling of the assigned subject, "The Sunday School as an Asset to a Community." The speaker stated that he was there because no good newspaper man would shirk a duty. He also explained that in this day and age of the world a fellow had to work his own way through the golden gate and grab a hard all by himself. The speaker said that a Bible School is a financial asset to a community, in that it is worth more than it costs. A city with plenty of Sunday schools attracts the home builders, because a city of churches is a good place to rear a family. Sunday schools are a value to the banks of a community, because they discourage extravagance, excesses, gambling and gluttony—they encourage frugality, thrift and economy. As a result more money is on deposit and there are more bank accounts. The Sunday School is an intellectual asset because of the study of the Bible you find the finest prose, poetry and imagry in all literature. The study of the Bible quickens the intellectual perception, cultivates the memory, educates the reason and develops the noblest faculty of the mind. The Sunday School is second in intellectual value only to the public schools—second in moral value only to the church itself.

Rev. J. W. Dunning, pastor of the First Presbyterian church, followed Mr. Sheridan and talked on "The Value of Unity." Rev. Dunning is a forceful speaker and argued from the standpoint that while unity among the various denominations would never crystalize, nevertheless the day of cooperation was here, which was in a broad sense unity itself. While the various denominations will always maintain their plan of action, unity will mark their efforts. The speaker plead for a unity of the spirit—where all were one in efforts to attain the never ending home. Rev. Dunning stated that there was more dissention in the Apostle church at Cornith, than in the denominations of today. In the church at Cornith there were several factions and the membership was at war at all times. In Portsmouth the various Sunday Schools have united for the purpose of bringing into the various Sunday Schools upwards of 10,000 souls. He hoped the plan would be a success, for the church as a whole is made up of those people who have been faithful attendants at Bible School.

James Finney was the next speaker and as is usually the case there was all sorts of action. Mr. Finney warmed up to his subject, "Organization" from the start and made a splendid talk. He stated that the methods of the politicians could well be copied by the various Sunday Schools of this city. The politicians build up a machine and always know which button to press when a certain fellow's vote and influence is needed in a campaign. Mr. Finney stated however, that while theory was a beautiful thing it had absolutely no value unless practiced and carried out. He said that work—hard work—would get results, but that planning would avail little. He plead for systematic work and told of the successes that had attended the various plans as agreed upon by the Men's Bible Class of Trinity church of which he is the teacher. He also plead for efficient leadership. Under some leaders men will work their heads off, while under others they were mere machines and performed in a purely automatic way.

Rev. J. L. Hopper, pastor of the United Brethern church, explained the cards that are to be used this evening in an effort to not only secure a Sunday school directory, but a pledge from every person in the city to attend Sunday School on October 19. He outlined a plan of action, which if followed is bound to produce results. He stated that those cards on which no preference was expressed would be filed at the Boy Scout headquarters, where they would be accessible to all.

Charles M. Howland, superintendent of the First Christian Sunday school, talked on the financial side of the project, stating that perhaps $75.00 would be necessary to pay the bills. It was decided that the various Sunday schools of the city be apportioned the amount they would be expected to pay, and a collection at last night's meeting was dispensed with.

At the close of the meeting several of the canvassers met and arranged plans for the registration of the city this evening. All cards must be turned over to the superintendents of the various Sunday schools by not later than next Sunday morning. It is hoped to complete the canvass of the city by 9 o'clock this evening.

My Personal Invitation

TO ALL MY FRIENDS AND PATRONS:

I wish to inform you that I have severed my connection as Manager with The Liberty Clothing Co., where I have held same successfully since its establishment in this city. (Having had a continuous and liberal patronage all the time)

While there my relations with everybody (as far as I know) have been very friendly indeed, judging from the host of friends and reputation I have established for myself in this city—each customer recommending a dozen others. This itself will prove that I have treated the people right and have extended every accommodation and courtesy possible.

My aim was always to give everybody a square deal, and deliver to the people all the value I could for their money, thereby gaining their continuous patronage, if I did have to sacrifice a good deal of the profits. Yet, by not being the individual owner of the business, it did not permit me to use my own method and knowledge the way I would prefer, regarding the carrying of stocks and styles that would insure the entire satisfaction of my patrons, and had to do the best I could under the circumstances; same with extending more time, making easier terms; etc., whereby the instruction of the Company positively prevented me from doing so at often times, and I had to carry on every transaction accordingly.

It is therefore a pleasure to me, now indeed, to state to my many friends and patrons that I have just now engaged in business for myself, being equally interested in "THE FASHION," on Gallia street, (at the New Bannon Block), where I can devote all my energy and experience to the best advantages and cater to the wants of my patrons with much more care and courtesy.

I assure now my personal attention to everything along these lines, as well as to the purchasing of stocks and making my own selections. I will add a superior line of Men's, Boys' and Children's Clothing, which will enable us to take care of every member in the family.

I therefore solicit your patronage and ask you kindly to give me a call at my new, attractive location, of which I am especially proud, and which approves with all the requirements of such an establishment. No doubt but what it will meet with your consent, thus making our former relations re-established with much more enthusiasm and satisfaction.

Awaiting your coming impatiently, and hoping to serve you in the near future, believe me,

Sincerely Yours,

A. KLINE, Mgr. The Fashion.

DR. JACKSON IS POPULAR AT LONDON, RETURN DESIRED

Rev. Dr. J. C. Jackson, formerly pastor of Bigelow Methodist church, but for the past five years pastor of the First Methodist church of London, Ohio, has given such splendid service that the congregation desires his return for another year.

Of Dr. Jackson, the Madison county Democrat, published at London, printed the following in its issue of Sept. 25:

"As the time is imminent when the Ohio conference of the Methodist Episcopal church meets in its annual session and at which time the ministers are assigned to their various charges for the ensuing year, it seems in season to make known the growing endorsement adopted by the Twentieth Century Bible Class of the M. E. church of London, Ohio, approving the pastorate of the Rev. J. C. Jackson. The Twentieth Century class having been under the guidance of Dr. Jackson as teacher for several months past, fittingly gave expression to their realization of his merit, and the following resolution presented by R. G. Hornbeck is self-explanatory:

"Whereas, The term of Reverend John Collins Jackson, pastor of the Methodist Episcopal church at London, Ohio, will expire on the thirtieth day of September, 1913, and,

"Whereas, The Ohio Conference of said church will meet at Chillicothe, Ohio, on the first day of October, 1913 at which time and place a successor to the present pastor at London will be chosen; and,

"Whereas, it is the sense of the Twentieth Century Bible Class of London, this day in session assembled, that Doctor Jackson has given eminent and almost universal satisfaction as pastor of the Methodist Episcopal church at this village; that by his Christian zeal this community has been quickened to a more righteous citizenship; that he has not only served those of his own faith, but has ministered as freely and effectively to those of no religious pretentions; that this community now realizes as never before, the depth of his character, the scope of his intellect, the thoroughness of his training and the extent of his religious research; that with this realization comes the knowledge that the possibilities for greater and better things for the church at London here but begun; therefore, be it

Resolved, That Dr. Jackson should be returned to the pastorate at London; that those in authority at said conference are requested and urged to assign Dr. Jackson to the Methodist Episcopal church at London for another year; that a copy of this resolution be spread on the minutes of this class; that a copy be sent to Bishop W. F. Anderson and a copy be sent to John C. Arbuckle, Presiding Elder of the Lancaster District of the Methodist Episcopal church."

This resolution was adopted at a regular session of the class Sunday, August 10th, during the absence of Dr. Jackson, who on that day was ordained at the Plain City Chautauqua. The resolution was passed by a unanimous vote of the one hundred and forty members present and without any knowledge whatever on the part of the teacher that his class anticipated taking such action.

J. W. MILLHOLLAND, Sec'y.
London, O., Sept. 22, 1913."

Families In Feud

E. O. D. (every other day) is the standing order for the East End patrolman to "drop up" on Seventh street, near Lawson's Run, to pour oil on the troubled waters that gurgle and boil when the McGraws and Cullums renew their family feuds. Another call for relief came Wednesday morning, and Officer Dixon had to act as peacemaker.

SOCIAL NEWS

A pretty wedding service was solemnized at seven-thirty last evening at the First Presbyterian church, when a romance which had its beginning a score of years ago culminated in the wedding of Miss Florence Rae Lancaster of Phoenix, Arizona, and Mr. Willard Conlon, of Wadsworth, O., the popular secretary of Congressman Sullivan.

The ceremony was read by Rev. John Wier Cunning, in the presence of Mr. and Mrs. J. Lancaster, of Washington, D. C., who were the guests of honor, Miss Edith Conlon, a sister of the groom, as maid of honor; Mr. and Mrs. J. E. Keesler as matron and usher of the bride, and Mr. Crawford Baumgardner, a friend of the groom.

The pretty bride wore a charming dress of white embroidered voile, with a veil of white chiffon over satin, and a sheaf of pink [illegible] carried bride roses.

[illegible] the ceremony the bridal party went to the Washington hotel, where a pretty appointed supper was served in the ordinary to the seven members of the party.

The bride moved from this city to Phoenix, Arizona, three years ago, with her parents, Mr. and Mrs. Henry K. Lancaster, and has been teaching in the public schools of that city until this summer when she resigned to prepare for her marriage. She has been visiting her aunt, Mrs. J. E. Keesler for several weeks, and by some [illegible] to many friends.

Mr. Conlon is a young man of splendid characteristics, is the only son of Mr. and Mrs. D. W. Conlon, of Logan street, and has been private secretary to Congressman J. E. Sullivan ever since Mr. Sullivan began his term of office.

Mr. and Mrs. Conlon will be at home at Mr. and Mrs. Keesler and the groom's grandfather, Mr. Conlon & Reynolds for a few days before going to Washington, D. C., to reside.

After the bride and groom were entertained at [illegible] Mary served refreshments in the form of [illegible]

The wedding of Miss Rose [illegible] and Mr. Perry Thompson was solemnized at the home of the bride's parents, Mr. and Mrs. Sam Smith, on Twenty-second street, Wednesday morning at 8 o'clock. [illegible]

[illegible] Mr. and Mrs. Thompson left on the 10:30 train for a short wedding trip to Cincinnati. Upon their return they will be at home to their friends at 1124 Twenty-second street.

[illegible] to the wedding of Miss Lawrence Wagner and Mr. [illegible] Clark Cook will take place Wednesday. The interesting event will be solemnized in St. Mary's church at 7:30 on the morning of October 8th. After a short honeymoon, Mr. and Mrs. Wagner [illegible]

OCTOBER

Birthstone—Opal

Flower—Cosmos

"October's child is born for woe.
And Life's Vicissitudes must know;
But lay an Opal on her breast,
And Hope will lull the woes to rest."

Of all the gems perhaps the Opal reveals the most beautiful play of colors.

As a mineral the Opal is quite common, and some very beautiful specimens may be procured at small cost.

It is chiefly found in Hungary, Honduras and Mexico.

The Opal was greatly prized by the ancients, and a beautiful Opal ring was the cause of the banishment of the Roman Senator Nonius by Mark Antony.

Although one of the most beautiful of gems, this stone was for years under the cloud of superstition, which condemned it as unlucky. Her late Majesty, Queen Victoria, however, re-established its popularity, and now it is considered to be very lucky indeed.

Solid Gold Opal Rings $2.00 and upwards.

Accuses Wife

In the divorce case of Easter Morrison against John W. Morrison, in common pleas court, the defendant, through his attorney, N. B. Gilliland, filed an answer and cross-petition in which he admits the marriage and birth of minor child and alleges that the plaintiff has led a lewd and adulterous life for several years and has associated with divers persons without regard to her obligations to defendant and without his knowledge, and that since he learned of her bad conduct he has refused to live with her. He says he has always been a true and faithful husband and worked hard to support his wife and child. He therefore asks that he be decreed a divorce and control of his minor child.

Mrs. Cora was 51 years of age and is survived by one daughter, with whom she resided. She was also a sister of David Cora, who runs a poolroom on Chillicothe street. Funeral services will be conducted on Thursday morning at 9 o'clock from St. Mary's church and interment will follow in Greenlawn.

Newman Funeral.

The funeral of the late Mrs. Anna S. Newman, who passed away at her home in Ironton, early Tuesday morning will take place Thursday morning at 8:30 o'clock at St. Joseph's Catholic in that city. Interment will follow in Calvary cemetery.

John C. Titus

John C. Titus, the only surviving brother of the late Dr. A. Titus, of Portsmouth, died at 2 o'clock Wednesday morning at his home in Scioto Furnace, aged 77 years. Death was caused by cancer.

Mr. Titus was a veteran of the Civil war, having served honorably and bravely as a member of the 50th O. V. I. Following the war he resided in Portsmouth for a number of years and then located in Alabama, where he lived until a short time ago, when he came to Scioto Furnace to spend the closing days of his life. He was a brickmaker by occupation.

Mr. Titus was a man of kindly, companionable nature and he enjoyed the esteem of a large number of friends in the various sections where he resided.

Surviving Mr. Titus are his wife, Mrs. Mary Jane Titus, and seven children, as follows: Leroy, of the Star Yards; Charles P., of Portsmouth; Walter, of Portsmouth; Alva, living in Alabama; Pearl, of Scioto Furnace; Mrs. Ora Kline, of Scioto Furnace; and Mrs. Simon Timberlake, of Fullerton, Ky.

The funeral will probably take place Thursday afternoon, with burial in Vernon cemetery.

Major B. F. Stearns.

Major B. F. Stearns, who married the eldest daughter of H. S. Bundy, of Jackson county is dead at Washington. He lived for years in Jackson county and was manager of the Keystone and Latrahe furnaces for some years. For 20 years he has had a position i the treasury department at Washington.

Mrs. O. E. McHenry.

Mrs. O. E. McHenry of Wamsley passed away at her home Tuesday evening at 5 o'clock following a lingering illness. She was 40 years of age, and besides her husband, Dr. McHenry, is survived by two children, Bush and Alice McHenry. She was a native of Metropolis City, Ill., her maiden name being Hannah Marie Jones.

The funeral will be held from the home Thursday morning at 9 o'clock. From there the remains will be taken to West Union and interred in the Odd Fellows' cemetery.

Miss Dolly Wise

She is here to answer any and all questions concerning love, matrimony, troubles, woes, etiquette, etc. Inquiries should be addressed to Miss Dolly Wise, care The Daily Times, Portsmouth, Ohio.

Miss Dolly Wise:—I would be pleased to meet some nice young lady. I notice in the Times if I would communicate with you, you had the names of girls who would take me for better or worse. I don't like that kind for you know that the Lord will take me for better and the devil for worse. So you see what I need is love, so if some nice girl will,address.

CECIL COLVERMAN.
care Y. M. C. A.
Portsmouth, O.

P. S.—I will be pleased to call and get acquainted with her.

Yours Truly.
CECIL C.

Dear Miss Wise:—I want to go out into the world and find a fortune. Where would you advise me to go? RANORD.

They do say, Ranord, that if you go to the end of the rainbow you will find a pot of gold. The next time you see a rainbow, you might search for the end of it.

Dear Miss Wise:—I am a man 39 years old, weigh 225 pounds, bald headed. I married a little Southern girl 22 years old, she's a little thing and very affectionate like most Southern girls. Our married life so far has been a perfect success, there is but one cloud that crosses my horizon, that is, my wife invariably insists in sitting on my lap when I come home in the evening. Now I don't object at times when I am not tired and worn out from the day's business. She is a dear little thing and I love her with all my heart, but please Dolly advise me how I can break her without offending her or hurting her feelings, as it would break her heart if she thought I didn't want her to sit on my lap. Oft times I tell her to jump up I want a cigar, water, anything, just an excuse, but no sooner do I get the cigar than she is on my lap again snuggled up ready for a long rest. I'll admit I am large enough for a couple to sit on my lap, but then you know Dolly when a man comes home from business worn out he likes to rest. If you can give me any knowledge as to how to break her, it will be highly appreciated. This is no joke,

WESTERN MAN.

You should worry about your wife sitting on your lap, Western Man. In the first place you had no business going down South for a wife when there are so many good looking and sensible girls in Portsmouth. In the second place if you don't want her to sit on your lap, stand up. That's easy.

Dear Miss Wise:—Should a fellow burn love letters up or keep them? H. M.

Burn 'em up. Some of them ought to be burned before they are written.

Dear Miss Wise:—Do you think a girl of 16 has got enough sense to marry? HELEN.

She may have good sense all right, Helen but she is not old enough to assume the responsibilities of married life.

Dear Miss Wise:—I am in love with a girl who lives in Henley. She is about sixteen years old, and awful good looking and I would like to go with her. I am a good looking, low, heavy set boy with light hair and blue eyes. There is another boy trying to beat my time. He is tall, and not a bit good looking. Do you think she loves him? Advise me how to beat his time as I am in love with her.

COUNTRY BOY.

The girl doesn't love either of you. A 16 year old girl is too young to know what love is. Would advise you to leave her alone until she is through school.

Dear Dollie:—I have been going with a fellow for about two months and he wrote me a letter and I didn't answer it and he got mad at me. Please advise me what to do to get him to make up with me.

BRIGHT EYES.

Answer his letter.

Dear Dolly:—Please tell me to what department at Washington I must write for information concerning the taking up of government land claims.

ANXIOUS.

The Interior Department.

Dear Miss Wise:—I would like to get acquainted with lonesome East End Young Man as I read his letter in your column a couple of weeks ago and Oh! I am so anxious to meet him or any other young man who would like to have a good girl friend for I am so lonesome too. I am tolerably good looking and Dear Dolly, do you think is would be wrong to ask him to walk down Third street on next Sunday evening at 7:30 o'clock, for I live on Third street, below Chillicothe. If he would wear a white flower of some kind that I may know him. Now, Dear Miss Wise, don't forget to print this letter so he will see it.

BELINDA.

Lonesome Boy will be there all right with bells on his toes, Belinda.

Answer to Broken-Hearted Girl—I think you are very foolish, my dear to let a worthless man ruin your life when there are so many nice good young men in the world, in fact right here in Portsmouth. I certainly would forget that such a man as you speak of ever existed. Where there is a will there is a way. You can if you try. So try and try hard. You may be sure he is not wasting any time thinking about you, so why think about him?

Dear Miss Wise:—Is it proper to say I went to "a hotel," or "an hotel?"

A SCHOOL GIRL.

The former is correct.

SOCIETY

At a meeting of the Trinity Woman's Foreign Missionary Society held yesterday afternoon at the home of Mrs. W. B. Anderson on Rose Ridge, Mrs. J. M. A CLEAR COMPLEXION

Ruddy Cheeks—Sparkling Eyes—Most Women Can Have

Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards, for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards Olive Tablets. You will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter that one's system collects.

If you have a pale face, sallow look, dull eyes, pimples, coated tongue, headaches, a listless, no good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.

Thousands of women, as well as men, take Dr. Edwards' Olive Tablets now and then just to keep in the pink of condition.

IRONS WILL NOT STICK

If a Little Borax Is Used in the Starch Irons Will Not Stick

Borax is a great time, money and work saver in the laundry. It makes washing, starching and ironing an easy and simple matter.

In the first place, Borax added to the water in which your washing is done, saves lots of time, reduces rubbing to

almost nothing, since soap by softening the water, and rinsing the clothes in a snowy white. Colored clothes can safely be washed in Borax water. Borax is added without chance of failure.

Then add a little Borax to the starch, this produces the high lustre and smooth finish so much desired, and irons will not stick.

These are but a few of the many uses of Borax in the laundry. Many others are given in a booklet called "The Magic Crystal." This book will be sent free on application to the Pacific Coast Borax Co., 550 McCormack Bldg., Chicago.

To secure the best results from the use of Borax, it is important that you get the pure, full strength Borax. The best and purest Borax is the famous 20-Mule Team. It is known everywhere as the standard and sold by all grocers in convenient 10 and 15c packages.

Nothing Grows Hair As Beautifully as This—

Secrets of Remarkable Formulas Revealed by Valeska Suratt, the American Dramatic Star, Famous for the Beauty She Quickly Acquired Through Her Own Novel Efforts.

By Miss Valeska Suratt

THERE is only one thing among the dozens of things I ever tried for the hair that produces results which you can actually see. The claims made for most of the hair tonics sold are very disappointing, as many women realize.

The formula which I finally made up after many tests proved to be a very remarkable one. One of the best features about this formula is that you use one ingredient in concentrated form, and by making up the formula yourself in a few minutes, you have several times the quantity which you would get by buying any of the ordinary already-put-up hair tonics—and, besides this economy, you have just a week's hair preparation left a powerful hair-former. You will soon notice a remarkable difference in growth, fluffiness and wealth of hair by using this formula freely and often.

Take a half a pint of water and mix it with half a pint of alcohol for rose. Like a full pint of imported bay rum if you wish; and add to it one ounce

of Bay-tonia, which you can get at any good drug store for not more than fifty cents. After mixing thoroughly, it is ready to apply. This includes a clear solution, and without any oil.

Produces Faultless Complexion Quickly

For beautifying the face, arms and hands, here is a formula which is almost magic. It gives the skin a superb pure whiteness, removes all muddiness and spots in a very short time. In a few weeks your complexion will be almost perfect, with a bloom and freshness that is adorable. You must use this liberally every days. Mix two tablespoonfuls of glycerine in half a pint of hot water and add one ounce of almond while stirring. It will be ready to use when cooled. The almond can be secured at drug stores for not more than fifty cents.

Unequalled for Wrinkles

Shortening the face is fatal. It makes the pores larger, and it never removes wrinkles. A sure wrinkle eradicator and one that will surprise you by its prompt results, is a mixture of half a pint of hot water, one ounce of witch hazel, two tablespoonfuls of glycerine. Mix thoroughly and sift over about one ounce of cream. Then let it cool. Use it generously every morning and night. This will not grow hair, but every wrinkle in your face will vanish and you will look younger by quite a few years in a remarkably short time. The ezpod will cost you not more than fifty cents at the drug store.

Magic Hair Remover

Hair on the lip, arms, hands, shoulders may be removed almost magically by simply applying on them some simple solution, which can be secured at any drug store for one dollar. It has the very remarkable effect of dissolving the hair. In a few minutes the nairs are all gone, leaving the skin soft and white. The spot, burn or irritation commonly caused by the ordinary hair removers, acid. It can be used on the most sensitive skin, and will destroy as well as light growths of hair.

A Glorious Shampoo

Most scalp and water will not get the scurry film which forms on every scalp. Good shampoo is necessary to hair health. Most shampoos simply make lather and do not sufficiently cleanse. Dissolve one teaspoonful of ezpod in half a cup of hot water, rubbing well into the scalp, and then rinse the hair. You can get ezpod at the drug store for twenty-five cents or a large jar of it for a dollar. All shampoos "this helps wonderfully in the production of a beautiful head of hair. I owe my hair-growing formula above.

A Marvel for Blackheads

Blackheads will be removed in a few minutes by first washing the face, then every night rubbing with ice cream, wet with hot water, and rubbing it into the blackheads for a few minutes. Then wash the face again. The ice cream can be secured for fifty cents at any drug store.

Develops the Bust without Fail

For development of the bust, massage three times daily. The following always lays the desired effect quickly, promptly, is by, of course, entirely safe. Dissolve one cake of sugar in half a pint of cold water and add two ounces of powdered tar (the mixture, take two teaspoonfuls twice a day. The ezpod will cost you one dollar at the drug store.

Best Way to Remove Pimples

Pimples and skin eruptions will all disappear if you will take a three table spoon or two tablespoonfuls twice or four times a day of a mixture made by adding one teaspoonful of saltrates and one-half pint of water. Get the saltrates, which is a liquid, in the original package by the ounce. This will do away no blood troubles or face cream ever will.

MR. L. E. JOHNSON HAS BEEN AT HEAD OF N. & W. FOR TEN YEARS

Says the Roanoke, Va., News-World:

"Wednesday, October 1st, was the tenth anniversary of the election of Mr. Lucius E. Johnson to the presidency of the Norfolk and Western Railway Company. This event was marked with a dinner at the Hotel Roanoke Tuesday evening, given in his honor by his son, Mr. E. R. Johnson. Guests to the number of fifty were present.

"Mr. Johnson was elected to the presidency of the Norfolk and Western on October 1, 1903, being elevated to that position from the office of vice-president and general manager. His career is one of practical railroading and dates back to 1866, when he entered the employ of the Chicago, Burlington & Quincy Railroad as a locomotive fireman. Through the thirty-seven years that followed, the story of his life was one of usefulness and he passed through successive stages of advancement until the responsibilities of the management of one of the great trunk lines of the country was placed on his capable shoulders.

The ten years of his presidency have been marked with great things accomplished and undertaken by the Norfolk & Western, the record of which would fill a volume. Some of the high points, however, may be touched upon. One of these is the enlargement of the shops of the company and the resulting increase in capacity not only for repairs but for the erection of new equipment. The shops of the N. & W. rank high in comparison with similar features of other roads and in the matter of efficiency the development has reached a high plane.

Capacity Of Equipment

"Another feature that has marked the administration of Mr. Johnson is the increase in capacity of engines and cars. Giant Mallets now draw large and ever increasing tonnage and cars of steel will soon replace the wooden equipment both in the freight and passenger service.

"The development of the traffic is another remarkable feature of the past ten years. Much of the territory through which the Norfolk & Western passes is agricultural and the tonnage is naturally limited. The coal fields, however, have filled the gap and this feature has been the subject of the best thought and care of the president. This has not been done to the detriment of other matters, and industries have been sought and encouraged to locate in the territory of the road and the agricultural possibilities and resources have been encouraged and developed to a high plane, and the good work still goes on.

"His development of the traffic of the section through which the road passes has made necessary the building of much new road and cut off over line and double track of many miles in length is another feature that marks the administration of the present official at head.

"One of the strong features of President Johnson's regime is the increasing soundness of financial condition and position of the road. As a result it has the ability to finance new developments easily. A case in point is the electrification of the Elkhorn division, one of the gigantic undertakings financially, the completion of which will mean the expenditure of nearly three million dollars.

A Capable Staff

"Last, but not least is his personality and method of handling affairs which has brought around him a public staff that not only works in harmony, but is able to do the most effective sort of team work. This faculty of getting not only the best from, but the best that is in a man and securing his unstinted loyalty that has so marked the career of Mr. Johnson, is one of the most valuable assets for a railroad man or, in fact any business man and it has made the Norfolk and Western a model of efficiency.

"Added to these qualities as an official, Mr. Johnson has gained and held the high esteem of the people of Roanoke through his activity as a citizen. He has been active in the advancement of all that is good and useful in the life of the city."

Want Repairs Made At the City Hospital

Two propositions are to be submitted to city council tonight by Safety Director Hutchins for relief from the congested conditions in the nurses' quarters at the city hospital.

He is going to ask that council appropriate enough money to remodel the third floor of the institution to make provision for the nurses' headquarters, or to remodel the little house in which they are now located so that it will be fairly comfortable.

Soldiers And Sons Will Help Karnival

At a joint meeting of the G. A. R. and the S. of V., held at the G. A. R. hall on Gallia street, Tuesday night, plans were discussed and arrangements made for a big turnout of the members of these patriotic bodies on Veterans' day in the coming Korn Karnival.

According to the present plans, cars will be furnished for all veterans who are unable to walk in the parade, so that all will be given a chance to be present in the big turnout of members that is being planned.

Captain Creed Halstead and Commander George Carroll presided at the meeting, the former of the Veterans and the latter of the Sons of Veterans. The meeting was well attended by the members of both orders and enthusiasm for the coming Karnival ran high. As some of the orders have a larger membership than do the two others, they may have a larger number of members in the parade, but none will exceed the members of the two orders, devoted to the perpetuation of the memory of the brave deeds of the soldiers of the Civil and Spanish-American war, in enthusiasm and ardor. The Sons of Veterans agreed to furnish a drum corps to head the orders and the big float that is planned. A committee consisting of members Williams, White and Neu were appointed to look after the float to properly represent them in the parade.

Adjutant Williams was instructed to extend an invitation to the Women's Relief Corps and the Auxiliary of the Sons of Veterans to join with these two bodies and to arrange for autoes to carry them in the parade.

The meeting adjourned until Thursday, at 7 o'clock, when a final report of the arrangements will be made to the general committee in charge of the fraternal day pageant on Friday night.

EDITOR SIBLEY'S RESPECTS TO UNCLE JOSEPH CANNON

Editor Sibley, of the Gallipolis Tribune, pays his respects to "Uncle Joe" Cannon in these words.

"For a real old man, Uncle Joe Cannon kicks up a lot of dust wherever he blows. In Washington the other day he went to the Willard Hotel, stuffed his pockets with fine cigars and hurried to the dining-room. 'Boy, bring me some crab dishes, and shake a little sherry in 'em, and see that the toast ain't soggy!' he cried to a waiter.

"Nice diet for an old relic over three score and ten. But the half is not told. He called the waiter back and said: 'Oh, yes! and some spring lamb with mint sauce, two boiled potatoes, cut crosswise and filled with butter and paprika, and three ears of corn! And a lot of hot rolls!'

"What a mess for a very aged old political sport to insert into his system. No wonder all the Democrats in hearing gathered around the Danville statesman to take lessons in stomach hustling. And Uncle Joe ate and talked and smoked. Yes, smoked, right there at the table, just like that. Very unladylike of him, too. And here is one of the remarks he made:

"By the way, this talk of the regular Republicans turning to Roosevelt to save them ere they perish, is all tommy-rot. All I've got to say is this. Let's keep cool a while and let the country work out its own salvation. If the Democrats can really do all they have promised I'll be damned if I don't turn Democrat myself."

"Oh, you Uncle Joe! You're a pippin (!) right, and a wonder to be riding around on 70 or 80 years."

TERMINALS

The large shut-off valve, weighing 3,000 pounds was lowered into the trench for the water works main on Gallia avenue opposite the Y. M. C. A. building, Wednesday morning. It was a heavy and difficult load to move and lower. The laying of the main has reached that point, while the trench has been dug as far as the east end of Damarin Hill switch.

This is the semi-monthly pay day on the N. & W. and about $75,000 is being distributed among the happy employes.

The citizens are unanimous in their verdict on one proposition. Everybody wants the city to do something for the betterment of the Gallia pike. Last winter the mud was almost impassable, and this winter it will be still worse, unless something is done pretty soon.

Newton Jackson, of Hales Creek is a visitor in town today. He says the Hale Creekers fared better during the drough than the residents of many other sections. He had a fair corn crop, and has brought in seven large wagon loads of pumpkins, many of which weigh as much as fifty pounds. At the B. & O. pumping station, near South Webster the water supply gave out long ago, and they are still hauling water for the tank in large steel cars.

Herbert Swearingen, who works in the N. & W. blacksmith shop at the Terminals, met with a bad accident while at work Tuesday evening. While he and others were welding a heavy engine frame it slipped and fell. He was caught on the leg and the flesh was torn clear to the bone. It was a jagged and ugly wound and will lay him up for many weeks.

As soon as a short connection has been made in the big water main where it crosses under the traction line, the pipes will be tested to the pressure limit, and the trenches will be refilled. This will be a great relief to pedestrians who have been greatly discommoded by the Alpine range of yellow clay which has occupied the south half of Gallia avenue.

On Motor Trip.

Harry Millshal and Cecil Hayslip, two Huntington boys who have been spending their vacation viewing the country on their motorcycles passed through here on their way home from Maysville where they spent the last two days. They report the roads in very bad shape.

"WANTED—A COATING FOR MY STOMACH"

How many indiscreet eaters and excessive users of alcohol sound this danger signal of distress? Nausea, vomiting, catarrh of the stomach, loss of appetite and general suffering, are but the ordinary indications that the mucous membranes of the stomach have been impaired. The dangerous symptom is the quick collapse and the emergency call for the doctor.

The irritated, acid-eaten, alcohol-poisoned "down-and-out" stomach responds more quickly to the soothing, healing, reconstructing virtues of GOLD MEDAL Haarlem Oil Capsules than any other remedy known. The time to take it is now—don't wait an hour.

Discovered in Haarlem, Holland, in 1696, Genuine Gold Medal Haarlem Oil has been for more than two centuries the household remedy of that sturdy race of men and women.

Throughout the country of Holland Genuine Gold Medal Haarlem Oil is called "Dutch Drops," or "Medicamentum."

So many imitators of the Genuine Haarlem Oil spring up in various countries, especially in the United States, that Queen Wilhelmina granted a special charter to the Genuine Haarlem Oil Company of Holland, and the United States has given registered protection to the title, Genuine Gold Medal Haarlem Oil.

Any one suffering with troubles of the stomach, kidneys, liver or bladder should at once begin a treatment of three Gold Medal Haarlem Oil Capsules every day, this quantity being sufficient to effect a cure, excepting in chronic or acute cases, for which there are explicit directions on the packages.

The imported genuine Gold Medal Haarlem Oil Capsules sold by Druggists generally. Prices, 25c, 50c, and $1.00. Money refunded if they do not help you.

Imported from Holland only by the Genuine Haarlem Oil Mfg. Co., American office, 74 Cortlandt St., New York City.

HIGHWAYMAN'S BULLET IS THE CAUSE OF DEATH

The bullet that was fired into the back of Hugh Tanar, 23, by a Negro two weeks ago at Williamson, W. Va., exacted its toll Wednesday morning, at 7:50 o'clock, when the victim passed peacefully away at Hempstead hospital, where he had been brought, and where he received expert treatment. His spine was shattered by the leaden mi-sile and there was never any great hope of him surviving the wound. His death came without a struggle.

At his bedside when the end came was the victim's mother, Mrs. Sallie Tanar, and his brother, Malcomb Tanar, both of Saluda, N. C., and which place the victim called his home. His mother and brother have been here for the past twelve days and were constantly at his bedside.

The body will be taken this evening to the home of his cousin, Miss Carrie Wilson, 5067 Gallia street. Short funeral exercises will be held early Thursday morning. The body will then be taken to Saluda, where it will be interred in the little cemetery.

Times readers will recall the shooting which eventually led to Tanar's death. He was employed at Williamson, where he had charge of the N. & W. commissary. One evening two weeks ago Tanar had started to go down town, when he was accosted by two Negroes, who inquired of him the time of day. Tanar pulled out his watch and informed the Negroes that it was 6:45 o'clock. Whereupon one of the highwaymen commanded him to hand over the watch. Tanar replied, "I guess not," and shoved the disreputable-looking timepiece back in his pocket. One of the Negroes whipped out a gun, and as Tanar started to run away, fired a bullet through the back of the fleeing man. He fell in his tracks, while the highwaymen ran away from the scene as fast as they could.

Tanar was given medical attention at Williamson and the next day sent to Portsmouth and then conveyed to Hempstead hospital, his death following early Wednesday morning.

Word from Williamson is to the effect that the two gunmen have been arrested and have since been held without bail awaiting the outcome of Tanar's wound. Now that he has died, a first degree murder charge will be lodged against them.

Tanar was a former resident of Portsmouth, where he worked at the N. & W. shops. He accompanied his cousin, Miss Carrie Wilson, to this city from Saluda several years ago, and being of an industrious turn of mind, secured a good position at the N. & W. shops. He was transferred to Williamson three years ago, and was regarded as one of the best storekeepers in the employ of the company. He was a likeable young man, of splendid habits and made friends easily, all of whom will be pained to learn of his untimely end.

The Family Cough Medicine.

In every home there should be a bottle of Dr. King's New Discovery, ready for immediate use when any member of the family contracts a cold or a cough. Prompt use will stop the spread of sickness. S. A. Sild, of Mason, Mich., writes: "My whole family depends upon Dr. King's New Discovery as the best cough and cold medicine in the world. Two 50c bottles cured me of pneumonia." Thousands of other families have been equally benefited and depend entirely upon Dr. King's New Discovery to cure their coughs, colds, throat and lung troubles. Every dose helps. Price 50c and $1.00. All druggists. H. E. Bucklen & Co., Philadelphia or St. Louis.

Girl Must Stand Trial

Charges against Maud Brown, the eight-teen-year-old mother of a baby boy found in a vault in the rear of the Brown home on Market street, will be preferred within the next twenty-four hours by Police Chief Sam Phillips. He has consulted Prosecutor H. L. Small on the technicality on which the girl can be held pending a more thorough investigation of the case, which the police firmly believe is one of infanticide.

The girl is in the strong ward at the city hospital, recovering.

Friends Outwitted A Scared Bridal Couple

Pursued by a steady stream of rice, old shoes and good wishes from a large crowd of friends who had assembled at the N. & W. depot to see him off, Henry Saunders, of the Saunders-Watrous Co., plumbers, and his bride, formerly Miss Nellie Smith, left on the early train for Columbus, the former home of the groom. The wedding was scheduled to take place Wednesday noon, but learning of plans for their entertainment, preparations for the wedding were rushed and the ceremony took place Tuesday night instead of Wednesday noon, by which shift the happy couple hoped to be away before their friends learned of the trick which had been played on them. The news was learned by the friends in some manner, and when the cab drove up to the home of Miss Smith to take the couple to the train it was bravely decorated with ribbons, streamers and signs, all telling to the world a bride and groom were inside.

Determined to cheat their friends of the treat they had planned, the couple slipped out the back way and around to the depot, but their escape was soon discovered, and just as they arrived at the station the friends came, too, armed with a full supply of ammunition in the shape of rice, old shoes and good wishes. A steady stream of all three was hurled at the shrinking couple until the arrival of the train gave them opportunity to take shelter aboard a Pullman.

Mr. and Mrs. Saunders will remain in Columbus for ten days, or two weeks, when they will return to this city to make their home.

Billy Found Ground Frogs

Of humorous comment on a former Portsmouth young man, brother of Grocer Joe Schaefer, the All Sports Magazine of Cincinnati, has the following to say:

"Billy Schaefer, one of Hoffmann's bar clerks, surprised himself as well as his many friends at Hoffmann's a few days ago. It seems Bill figured he was a good 'frog catcher,' so started out to hunt them. The boys were all anxious for Bill's return, but the laugh was on poor Bill, as all he brought back was a few 'ground frogs.'"

WANT SCHOOL ERECTED

In order to proceed with the erection of the school house while the weather is favorable, the members of the board of education of Clay township are going to make an effort to dissolve the restraining order enjoining them from working. Some of the tax payers of the township are objecting to the erection of the structure, principally on the grounds that is is not centrally located and are resorting to technicalities to block the work.

STEAM SHOVEL ON JAG DUE TO MISCHIEVOUS BOYS; POLICE CALLED

Boys in the neighborhood of the terminus of Seventeenth street jestingly carried the workman's day beyond the ten hour limit, Tuesday evening, by jumping into the trench, created by the absent engineer, who was away some place bending his elbow over a lunch counter, and tied the bell cord down on the steam shovel engine. Residents of the vicinity, striven to distraction by the [illegible] called the police for relief. One of the officers, who said he used to load with an engineer on a peanut roaster, went to the scene and stopped the whistle.

ILLUSTRATED TALK ON JAPAN

The midweek service at the First Presbyterian church tonight will be the first of a series of Missionary Educational meetings. The subject will be 'Japan' and about seventy-five beautifully colored stereopticon pictures of the "Flower Kingdom" will be shown. These will illustrate the beautiful natural scenery, the life of the people and the progress of the work of Christian missions among the people. The meeting will be open to all. Begins at seven o'clock.

CAN'T FINISH TOWPATH

George W. White, who has the contract to repair the towpath on the West Side, was in the city Tuesday, and gave out the information that it would be impossible for him to finish the towpath this year.

The people living on the West Side were hoping this road would be completed before the bad weather set in, as it is a great inconvenience for those living north of Union Mills to have to go around by Carey's Run. They figured that they could combat with the "Navy" for the winter, but to drive four or five miles out of the way on a cold day would be a severe ordeal.

TRADES FARM FOR HOUSES

Four new six room houses located on Campbell avenue between Dexter avenue and Jackson street were given in exchange for a 200 acre farm at Chaffins Mills by Glen Rardin. The farm was owned by Claud Cadot who in turn takes possession of the houses and will place them in the rental market.

Case Will Be Tried Again

The jury in the case of Layfie Martin against Roy Bowers, after deliberating on the law and evidence for more than two hours Tuesday afternoon, came into court and unanimously said it was impossible for them to agree upon a verdict.

The question at issue was for the jury to say whether or not the defendant was the father of the plaintiff's illigitimate child.

The court accepted of the agreement to disagree, and they were discharged. The case will probably be retried later in this term of court.

Will Work In Open Air

Owing to impaired health, demanding out of door work, George Betris, of Ninth street, is to leave for Roanoke to enter field work. He is a draughtsman for the Norfolk & Western. Within the next few days he will move his family from Ninth street to Roanoke.

ANNOUNCEMENT!

Of My Removal To My New Store

I wish to inform my friends and patrons and the public in general, that I am moving to my new location, 813 and 815 Gallia street, next to the Central National Bank, where I will be pleased to welcome them at any and all times.

It is by reason of the splendid patronage that I have enjoyed that it is possible for me to go into larger and better quarters, with one of the best and most exclusive stocks and assortments of the market's most celebrated makers of everything in

MEN'S, YOUTHS', WOMEN'S AND CHILDREN'S CLOTHING!

to be found in the city. In the future, as it has been in the past, it will be my policy to give my patrons the highest qualities of merchandise at prices lower than will be found elsewhere. The lines I handle will embrace everything in Men's, Youths' and Boys' Clothing, Ladies' Tailor-Made Suits, One Piece Dresses, Fall Jackets, Long Coats, Skirts, Waists and Petticoats. With many thanks for your past patronage and hoping for its continuance I invite you to the new store.

Anonymous Writer Tells Of "Resorts"

Undesirable resorts are operating under the very noses of the police in the city, according to anonymous communications sent to Mayor Fred N. Tynes.

As the letters, signed "Good Citizens and Taxpayers," did not contain the addresses of the alleged resorts, no action will be taken by the mayor.

Certain houses in Paradiso Alley "are not fit for cattle to live in," is the classification of this select residential district of the city. They ought to be condemned and torn down, is the advise freely extended in the letters.

FINE NEW BUICKS SOLD IN THE PAST WEEK

The Buicks have had a field day in the local automobile world during the past week, R. S. Prichard having closed deals for five new 1914 models to be delivered within the next two weeks. The buyers are L. W. Braggdon, J. F. Potts, George Sommer, Marvin C. Chric and A. L. Reedy, of Barden.

Each has purchased a Buick B-25, with the exception of Mr. Sommer, who has a B-37 coming. The B-25 costs $1050 this year, has a longer wheel base than last year, is electrically equipped throughout, starter and lights, and has center control. The B-37 costs $1,335 and likewise has all up-to-date equipment and longer whel base.

Mr. Frank Davis moved from his former residence in the Maxwell Flats to the new home he has just completed on Gallia street.

GIRLS, LOTS OF BEAUTIFUL HAIR NO DANDRUFF--25 CENT DANDERINE

HAIR FALLING OUT? IF DRY THIN AND FADED, BRING BACK ITS COLOR AND LUSTRE.

Within ten minutes after an application of Danderine you cannot find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most will be after a few weeks' use, when you see new hair, fine and downy at first—yes—but really new hair—growing all over the scalp.

A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded brittle and scraggy, just moisten a cloth of Danderine and carefully draw it through your hair, taking one small strand at a time. The effect s amazing — your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable lustre, softness and luxuriance.

Get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter, and prove that your hair is as pretty and soft as any—that it has been neglected, or injured by careless treatement—that's all—you surely can have beautiful hair and lots of it if you will just try a little Danderine.

WORST OF EVIL IS MORTAL SIN

Another splendid congregation was present at the men's mission in Holy Redeemer church Tuesday evening, though the many of the stores were open and it was feared this would detract from the attendance.

Wednesday morning the three days' special mission for the children ended at the 7 o'clock mass and it was edifying to see the hundreds of little ones approach Holy Communion. The good mission priests expressed their pleasure at the devotion shown by so many children and urged upon the fathers the supreme duty of being diligent and earnest in seeing that they did not stray from the path of faith and virtue in which the feet were turned. Fathers, they urged, had fully as much responsibility in the eternal welfare of their offspring as the mothers and would be held to the same strict accountability for the child's soul, in fact, greater accountability, because the child was more apt to be influenced by the carelessness and bad example of the father than the good and pious teachings of the mother.

Father O'Neil was the preacher of the evening. As basis of his sermon he read the chapter from the Acts of the Apostles wherein is described the tribulations and triumphs of Paul in Corinth. He drew a graphic picture of this of the importance, the greatness, the wealth, the luxury of this Grecian city, reaching, perhaps, its zenith about Apostolic days. Just as the banners of christians were beginning to wave above the clouds of paganism and the cross was gleaming over the idol, Paul entered this city, finding it steeped in superstition and heathenism. Power had brought oppression, wealth had brought luxury and luxury had begotten sin and corruption. To its people he preached the Messiah, Jesus Christ, the expected of the nations. The people listened and listening they believed. More than that, they practiced and practicing Corinth became as noted for its virtue and its self-denial as it had been before infamous for its vice and its self-indulgence.

The fathers were there to preach the same as Paul, not that they were like him in inspiration, not that they had his burning eloquence, but holding the same doctrine and having the same purpose, to preach the corruption and degradation of sin and call men to repentance, confession, contrition and a better life.

This is a grossly material age. Conditions everywhere, here in Portsmouth, are much the same as those which confronted Paul on his coming to Corinth. Indignos here to ask you where are the Catholic young men of Portsmouth at this moment? I feel your answer: they are down town, they are grouped on the street corners, to be found in the picture houses and the pool rooms, perhaps worse places for their souls and their bodies as well. It is always an inspiration to see a young face among one's auditors. God's pity is it I see so few of such here tonight.

The professors and the voices of the up-lift tell us the common degradation, the general degradation, the evils of the times are all owing to the lack of a social conscience, whatever that may mean. The self-annointed scientist, the Socialist, tells us it is because of poverty, that if everybody was wealthy everybody would be happy and good. Nonsense. Poverty has its virtue, its joys, its compensations and sin and crime are no more prevalent among the poor than the rich. The ill is that men have hardened their hearts and forgot God. They sin, and sin is the worst of all ills. It destroys peace, it slays virtue and charity, it kills the soul and wrecks the body.

Yes, no visitation, no affliction is worse than that of mortal sin. That sin is any thought, word or deed that destroys the purity of the soul and puts it at enmity with its Eternal Creator, its God. Sin is of various arts. The man who is not true to his wife, who seeks carnal gratification, commits mortal sin, wrongs her whom he has vowed to cherish and hold sacred, breaks God's commandment, thou shalt not commit adultery, and damns his immortal soul.

Our fine young Catholic men, the pride and the hope of the church. They too often disappoint her. Unmindful of her teachings, heedless of her admonitions, they consort with bad companions and fall into habits of lust and profanity. They, too, commit mortal sin, become enemies of God and travel the broad road to eternal punishment.

Aye, mortal sin oft brings its own judgment even in this world. We admire the snap, the bounce, the vitality of youth, but the young man who gives way to passion and dissipation loses all these. He pays the price of indulgence and a pitiful spectacle he presents to the human eye, and how much more so in the sight of an all-seeing and offended God.

It is mortal sin to rob a human being of his good name, just as much so as it is to steal his money. Should it not be said worse? You can pay back the money, he can make more and, possibly, never suffer of his loss, but you can't restore his good name, once you have taken it from him.

You Catholic men know there is only one way for the forgiveness and atonement of mortal sin, repentance, a hearty sorrow for them, confession and a firm resolve never to sin again.

You will be mocked in your belief that the priest has power to forgive sin and you will be reviled and insulted by the accusation that you pay the priest in confession either to forgive your sins or for license to commit more. To the first answer quietly and in good temper that so did Jesus Christ, who died for the sins of men and to provide for their forgiveness and atonement, wish to impress this doctrine and practice, that his last message to his Apostles whom he commanded to go forth and teach all nations, was whose sins you shall forgive are forgiven them and whose sins you shall retain them are retained. His word was not for them and the time alone, but for all time, and therefore necessarily to their successors, the priests of the church.

As for giving or using money in the confessional, the man who makes that charge is either too mean, prejudiced or ignorant to know or be convinced of its outrageous falsity, and he had best be treated with the contempt of not noticing him—he isn't worth it.

RHEUMATIC PAINS PROMPTLY DISAPPEAR

Relief Comes After Taking Few Doses of Croxone

It is needless to suffer with rheumatism, and be all crippled up, and bent out of shape with its heart-wrenching pains, when you can avoid it.

Rheumatism comes from weak, inactive kidneys, that fail to filter from the blood the poisonous waste matter and uric acid; and the only way to overcome it is to remove the cause.

Croxone does this because it neutralizes and dissolves the poisonous substances and uric acid that lodge in the joints and muscles, to scratch and irritate and cause rheumatism, and cleans out and strengthens the stopped-up, inactive kidneys, so they can filter the poison from the blood and drive it on and out of the system.

Croxone is a truly remarkable medicine for rheumatism, kidney troubles and bladder disorders. You will find it differs from other remedies. There is nothing else just like it. It matters not how old you are, or how long you have suffered, it is practically impossible to take it without results. Relief follows the first few doses, and you will be surprised how quickly all misery and suffering will end.

An original package of Croxone costs but a trifle and all druggists are authorized to sell it on a positive money-back guarantee. Three doses a day for a few days is often all that is ever needed to overcome the worst backache or urinary disorders.

Dr. T. H. McAfee Will Lead Toledo Meeting

Dr. T. H. McAfee pastor of the First Baptist church, has received an invitation to go to Toledo the first of November, to take charge of a four weeks' union meeting. The meetings will be evangelistic and will be participated in by four congregations of Toledo, Second Baptist, Methodist, Congregationalist and Presbyterian.

During Dr. McAfee's absence from the city the local pulpit will be supplied each Sunday, due announcements to be made later.

Last year Dr. McAfee spent three weeks in Toledo, conducting special services at the First Baptist church. So favorable was the impression he created that he was invited to take charge of a meeting this year at the Second church. The other churches in the neighborhood then wanted to join in the meetings and arrangements have been completed for them to do so.

Dr. McAfee is gaining increasing prominence in the evangelistic field and those who are watching his career predict he will be in this field exclusively before many years pass.

Korn Stalk Parade, By Gum, Will Be Hit Of the Karnival

Put on your old blue jumpers
With a red posie on 'em
And grab a corn stalk for the fray,
We will march and bellow
Through the streets my fellow
On that happy korn stalk day!

(Composed and set to music of "Dolly Gray" by J. H. Varner, Gineral Korn Stalk for the nite of October 9.)

Don't give yourself the least bit of uneasiness concerning the korn stalk parade feature of the coming Korn Karnival. The parade is to be pulled off on the evening of October 9, and there is no question but it will be one of the leading features of the three days celebration. J. H. Varner, chairman of the arrangements for this feature, called his aides to council Tuesday evening, the meeting being held in the office of George Ditty, general secretary of the Karnival. Mr. Varner has entered into his assigned work with that enthusiasm that has marked his every effort in life. His aides are right with him and enthusiasm was rampant at the committee meeting. It is honed to have not less than 2,000 men and boys in line, each one wearing overalls, jumpers, with big red bandana handkerchiefs tied around his neck. Each one will carry a tall stately korn stalk, while red fire will be burned all along the line of march.

The parade will be headed by the bands, and will form at lower Market square promptly at 7:0'clock. The korn stalks will be furnished by John Flannigan, who will raid his fields on the bottoms in an effort to have every stalk at least ten feet tall. After the parade forms, the line will move east on Second street to North Waller, thence North to Gallia, West on Gallia to Chillicothe, thence South on Chillicothe to Second, where with one mighthy whoop the parade will disband.

Look Over This Hustling Staff.

At the meeting last night, Chairman Varner announced his staff as follows: J. H. Varner, Gineral Korn Stalk; S. Strauss, Kornel Korn Stalk; H. S. Grimes, Major Korn Stalk; F. W. Sheridan, Adjutant Korn Stalk; E. J. Hanley, Chaplain Korn Stalk.

Kaptains:—George McMahon, Roy McElhaney, Paul Esselborn, Benj. H. Marris, Jack Hood, John W. Byron, Ed Appel, Isadore Richards, John Milliken, Ben Bratt, Robert Cox, D. H. Rupert, Ray Coldiron, James Starling, Samuel Horchow, O. H. Ogier, Mike Herzog, Roy Lynn, Chalmer Davis.

Lieutenants:—Joseph Kountz, Lee Thuman, Harry Denton, Charles Bourgholtzer, Walter Taylor, Bruce Plummer, Elmer Fetter, Warwick Anderson, Charles Dixon, Fred Hobstetter, Clifford Biekel, Orvil Sprague, Thos Lambert.

Wanted Oxen For Parade.

If possible the committee will try and secure three teams of oxen to lead the parade. The oxen will be diked out in suitable attire while the drivers will wear the customary garb of the old time ox drivers. The parade will no doubt make one of the distinct hits of the entire Karnival, and will in point of numbers lay a similar parade held in Chillicothe during the Farmer's Fall Festival in the shade. At Chillicothe not more than 200 persons passed the reviewing stand while ten times this number will doubtless take part next Thursday evening. The farmers are especially invited to come in and join the parade. There will be plenty of Korn stalks and there is nothing in view that would indicate anything but a howling success of the affair, wich will give the right impetus to the big affair.

J. A. Bode, general chairman of the Korn Karnival, met with the committee and grew enthusiastic over the outlook. He stated that the korn stalk committee could draw on the entire staff of officials for aid. He would personally see to it that the bands were diked out in the proper garb, and if arrangements can be made with Mayor Tynes, several policemen wearing overalls and jumpers and swinging corn stalks for clubs will be right in the van.

Everything pertaining to the Korn Karnival is moving along handsomely. Not a hitch has appeared on the surface and it now looks that the affair will be one grand success.

Two Bands Engaged.

It was announced by Chairman Bode that two bands had been employed. Of course they are the River City and Portsmouth bands. Both organizations will play in the afternoons and evenings. In addition the River City band will play during the entire of Saturday morning, which will be the big day of 'em all according to the present outlook. On Friday night, when the Fraternal parade comes off the River City band will lead the way with its full complement, ie., 22 pieces. On other afternoons and evenings this band will be made up of 14 instruments.

Booth For A Church.

It was announced at the meeting that the Brunner Dry Goods Co., of Gallia street, will erect a booth in front of their handsome store. Not only that but the concern will donate sufficient space for a booth to be erected by the women of the German Evangelical church, where lunch will be served.

President Bode authorized the following statement: "Unsolicited citizens can show their progressiveness by voluntarily sending their contributions for the Korn Karnival to George A. Ditty, secretary, Masonic Temple."

ECZEMA 25 YEARS FACE A MASS OF IT

Says "Resinol Cured Me of One of the Worst Cases Anybody Ever Saw."

Philadelphia, Pa., Sept. 20, 1912.—"I had eczema for the last twenty-five years, and have been afflicted so badly that for weeks I could not go outside the door. My face was one mass of pimples, and not only the looks of it but the itching and burning pains I experienced were just dreadful. I lost a great deal of sleep and had to keep dampened cloths on my face all night to relieve the pain. I had become disgusted with trying different things.

"One day I made up my mind to try Resinol, and after using a jar of Resinol Ointment, and one cake of Resinol Soap, I saw the difference, and now my face is as clear as anybody's, and I certainly don't need to be ashamed to go out. Resinol Soap and Resinol Ointment cured me of one of the worst cases of eczema, I guess, that anybody ever saw." (Signed) Mrs. C. Hellmuth, 2611 Appletree Street.

Try Resinol your self and see how quickly the itching stops and stubborn eruptions disappear. Resinol Ointment and Soap are sold by all druggists. For free trial, write to Dept. 19-R, Resinol, Baltimore, Md.

SELBY CO. PLANS FOR FACTORY AT ASHLAND

Ashland, Ky., is anxious to have another factory building. The Independent says a number of business men met Monday evening to consider plans to further the Selby Shoe Company erect a big branch factory in that city. The project. They named a committee who will aid Mr. Selby in securing a suitable site for a factory building.

GOES TO CHURCH; ROBBED

Apparently getting tired of waiting for its owner to come out of church, a wheel belonging to Lee Sommers, a hardware dealer, "left" Tuesday evening. It was standing in front of the church when Mr. Sommers went in, but at the conclusion of services it was nowhere to be found. The theft was reported to the police.

INTERPETER DISCOVERS IDENTITY

Deaf, dumb and blind in one eye, and the sight of his other eye impaired, William Clark was placed aboard an N. & W. train bound for Circleville, Tuesday afternoon. In his vest pocket he carried a note from the local police and the Associated Charities asking the Circleville people to furnish him transportation to Columbus, his supposed home.

For three days Clark lay in jail, with the officials unable to fathom his identity. Finally, with the aid of interpreters, secured from the Selby Shoe company, his name and address was secured and he was sent toward home rejoicing.

Wonderful Blood Remedy That Works in the Tissues

The Very Latest Theory About How and Why the Blood is Disordered.

S. S. S. Means Pure Blood Which Insures Long Life and Health.

The great experts in Chemistry and Physiology now declare what has all along been contended by the Swift Laboratory that the germs of blood disorders find lodgment in the interstices of the tissues.

And herein is where S. S. S. goes to work rapidly, effectively and with wonderfully noticeable results.

This famous blood purifier contains vegetable components just as vital and essential to healthy blood as the nutritive elements of wheat, roast beef, and fats and the sugars that make up our daily ration.

As a matter of fact there is one ingredient in S. S. S. which serves the active purpose of stimulating each cellular particle of the body to the healthy and judicious selection of its own essential nutriment. That is why it regenerates the blood supply; why it has such a tremendous influence in overcoming eczema, pimples, blotches, and all skin afflictions.

And in regenerating the thrones S. S. S. has a rapid and positive antidotal effect upon all those irritating influences that cause rheumatism, sore throat, weak eyes, loss of weight, thin pale cheeks, and that weariness of muscle and nerve that is generally experienced by all sufferers with poisoned blood.

Get a bottle of S. S. S. at any drug store, and in a few days you will not only feel bright, and energetic, but you will be the picture of new life.

S. S. S. is prepared only in the laboratory of the Swift Specific Co., 201 Swift Bldg., Atlanta, Ga. Who maintain a very efficient Medical Department, where all who have any blood disorder of a stubborn nature may write freely for advice.

S. S. S. is sold everywhere by all drug stores.

Beware of all attempts to sell you something "just as good." Insist upon S. S. S.
